TELKOM UNIVERSITY

Bachelor Degree, Informatics. GPA: 3.62/4.00

Honors and Awards:

Top 3 Discrete Mathematics Final Exam Score, Best Machine Learning Course Presentation

Bandung, West Java

Jul 2018 - Dec 2022

Experience

ELICE

Korea-ASEAN Digital Academy Trainee

Cikarang, West Java

Sep 2025 – Nov 2025

- Got trained with learning materials: full-stack programming, cloud, data analytics, and UI/UX.
- Built a full-stack web application using NodeJS (ReactJS and ExpressJS) and MongoDB database, which also has AI integration for the final capstone project deployed at <https://sentiloka.app>.

PETA KEBIJAKAN

Data Scientist

Remote

Mar 2023 – Jun 2023

- Scrapped the data from <https://dpr.go.id> to use it in machine learning modeling.
- Assisted research about predicting Indonesia Legislative Draft Bill (Rancangan Undang-Undang) using Random Forest algorithm.
- Maintained the <https://petakebijakan.com> website with Laravel PHP and PostgreSQL database.

TELKOM UNIVERSITY

Research Assistant

Remote

Jul 2022 – Sep 2022

- Did research methods for people analytics using and Python programming language.
- Finished workshop of machine learning, people analytics and career preparation.

ID/X PARTNERS

Project-Based Intern: Data Scientist Virtual Internship Experience

Remote

May 2022 – Jun 2022

- Collaboration of Rakamin Academy and ID/X Partners
- Completed various tasks: Business Understanding and Analytical Approach, Data Preprocessing, Exploratory Data Analysis, Machine Learning Modeling, and End-to-End Solution.

Technical Skills

Languages: Python, SQL, HTML, CSS, Javascript (NodeJS, ReactJS, ExpressJS), PHP (Laravel), Dart (Flutter)

Another Technology: Microsoft Office, Latex, Github, Gitlab, Postman, Gephi, Trello, Linux, Draw.io

Area of Expertises

Data Science • Data Analytics • Software Development (Web & Mobile) • API & JSON
Artificial Intelligence & Machine Learning • Database Modeling & Programming • Mathematics & Statistics

Personal Skills

Analytical • Detailed • Problem-solver • Teamworker • Curious • Self-Learner
Logical • Observant • Attention to Detail • Critical Thinking • Independent • Confident
